

## ANDREW HEWITT &

## MIKE MIGNOGNA

Andrew Hewitt is becoming one of the most talked about drummers on the national and international drumming circuit and within disability communities. He was born with Cerebral Palsy, which restricts movement in his arms and legs, which forces him to walk aided with crutches and sometimes use a wheelchair. This has made drumming a very serious challenge. Despite this, over the past 19 years Andrew has worked successfully as a Performing Artist, Drum set Clinician, Motivational Speaker, Workshop Facilitator, and Disability Advocate.

Mike Mignogna was born with Cerebral Palsy. He started playing the drums at age 11 when his father bought him a drumkit as a motivational tool. Since then Mike has played in many bands, both recreationally and professionally, Graduated from the Percussion institute of Technology, studied with some of the worlds greatest educators, and released his own book entitled "Look Ma, No Feet".

*You can catch Andrew Hewitt and Mike Mignogna in concert with Dom Famularo at AUDW at 2.30pm on Sunday 26th July.*
